AT SAVIN ROCK YESTERDAY

THE SHELTONS EASILY WON THE SILVER CUP GAME.

An Exciting Contest—Ex-Judge Shelton Presents the Cup to the winners—A Hartford Excursion—Japanese Performers Next Week—Late Hotel Arrivals—Several Big Banquets Soon—Many, Bathes Yesterday.

Much interest was evidenced in the Milford-Shelton baseball game played at Savin Rock yesterday, and a good sized crowd was present to witness the grand stand plays of their respective favorites. Perhaps more interest was excited by the fact that the gold and silver question entered somewhat into the contest, as to the extent that a silver pitcher was to be given as a trophy to the victorious team.

The game was called at 3:45 and started in with the Sheltons at bat. There were two out in quick succession, when McHugh let out with a hit to Young, who fumbled and gave the runner first. Dinsmore followed this up with a strike out and the side retired with McHugh on second. Milford then came to bat and Young hit out a slow skipper to left, which was nulled and he was stopped at first and then in quick succession there were two out, one strike out and one throw out at first when the side went out with no runs by either team. In the second inning Smith of Shelton was out on a caught fly and Hendrick failed to reach first. Leary rapped out a two-bagger, but Lintzer struck out and he was left on second when the side retired. Milford then stepped in and Doherty to bat sent a clean two-bagger over right. O. Platt struck out, but Feehan made a good safe hit to right, and got first, letting Doherty around to third. Buckingham let out a fly to left, which was pulled in. Doherty in the meantime got home, making the first run scored. Mansfield struck out and Lamb was left on second.

In the third inning side scored. Shelton in the fourth was quickly retired and Milford came to bat. Doherty was first man with the stick with a determined look in his eye, and with grim determination he swung his bat, putting the horseshoe over the left fence for a home run. He was wildly cheered. The side was let out by three put outs in quick succession after this.

The fifth started in with a score of 2-0 in favor of Milford, but Shelton was in for good this time, and proceeded to knock Mansfield silly. Leary was out on a foul at first rap, but this made no difference. McHugh made a good grounder hit, which was fumbled by Young and he reached first. Corcoran banged the oval down to left field and reached first, letting Lintzer to third. Now came the coup d'état. Osterhoudt hit to right and was safe on a tumble by C. Platt. Lintzer came home and while the pitcher and catcher were wondering where the ball was, Corcoran also ambled in. Mills then hit out for a two-bagger and brought Osterhoudt home. McHugh was caught out on a foul, but Dinsmore hit a safe grounder to left and brought Mills in. Smith did the same and let Dinsmore in. Both Hendricks fled out to right, and the side went out with Smith on third. Both teams failed to score in the sixth, but in the seventh Shelton rolled in two, while Milford got one and their last. In the eighth Osterhoudt scored the last in the game. The ninth inning was soon over, and the game closed with a victory for Shelton by the score 8-3.

It is a curious fact that every Milford score was made by Doherty, who showed his skill at every point as a superior player. A fine play was made by Hendricks in the seventh inning, when he hung on to a scorching hot liner let out by C. Platt.

At the close of the game Judge Shelton, with a short, well chosen speech, presented to the winning team the handsome silver pitcher, engraved finely and tied with a wide blue ribbon. At the conclusion of his remarks Mr. Shelton was given a rousing cheer.
